

## Share Your Story at Women's Camp 2020

We are thrilled to be having the fifth annual Women's Camp at the West Virginia Baptist Camp at Cowen! We would love to welcome any woman 18 years and older join us for Women's Camp 2020.

The weekend is focused on uniting generations of women hearing God's word together, worshiping together, praying together and sharing each others burdens.

This year there will be fun, fellowship and Bible study for all including a special evening activity, interest groups, worship, campfires and more.

Our speaker for the weekend is Claire Cottrill, a daughter of the King from Point Pleasant, West Virginia. Please be in prayer for Claire as she prepares to bring the Word of God during the weekend.

The band leading us in worship is the same folks who have graciously led us in worship the past two Women's Camps, and we are excited for the mix of traditional and contemporary music they share with us each year.

We pray you join us for the journey that Women's Camp 2020 as we grow and learn and share our stories, the ones that God has given us to share in His mission.
