

SUMMER SCRIPTURE MEMORIZATION CHALLENGE

Our Summer Challenge:

How many verses can you memorize? 1? 10? 25? 100?

Here's the *key*: this isn't a challenge to see who can memorize the most verses. Some of you will memorize a ton and others will memorize a few and we want to *celebrate* each and every verse you memorize.

Why memorize scripture if this isn't a competition? When we spend the summer engaging God's Word and committing it to memory *we all win* because we get to know God more and grow as His disciples.

How does this work? The list on this page is from the book* 100 Bible Verses Everyone Should Know by Heart, by Robert J. Morgan. This is a GREAT list to get started! You don't have to start with verse 1 or even go in order. You could choose a category anywhere on the list.

How do you memorize scripture? Here are some ideas:

- Read the verse in context!** Start by learning what the verse means!
- Speak it out loud!** Say it over and over again, out loud.
- Write it out!** Write the verse in your own handwriting.
- Turn it into art!** Write the text in different colors or sizes; draw pictures.
- Make music!** Set your verse to a familiar tune, and sing away! Research shows that music helps you store and retrieve something from memory!
- Break it up!** Practice piece by piece in smaller sections until you have them completely memorized, and then put them together.
- Work together!** Invite your family and friends to join in on the fun. Recite the verses together over dinner or at bedtime. Help one another reach your memory goals and keep one another accountable.

We Want to Celebrate!

By August 1st send the total number of verses you've memorized and share a video if you can! We can't wait to celebrate how many scripture verses campers and families have memorized this summer

*We *HIGHLY* encourage you to purchase this book! It includes resources on the power of memorizing scripture, studies of each of the verse and memorization tips and techniques to help you!
